

Kindly be informed that we are offering the following subjects for students starting their AS Year 12 (the old grade 11) for the 2010-2011 session. The timetable has been structured in such a manner that subjects do not clash. This allows our students a wider combination of subjects from those that were previously on offer. Please note that a student must opt for **SIX** subjects. The subjects offered are:

Physics

Chemistry

Biology

Mathematics

Computing

Psychology

Physical Education

English Language

French

Spanish

German (this subject is available in the November exam session only)

Hindi (this subject is available in the November exam session only)

History

Geography

Business Studies

Economics

Literature in English

Sociology

Music

Art and Design

TRIO WORLD SCHOOL
